

COVID-19 / Corona Virus
DROXFORD

We hope this finds you all well. As you know we are all coming to terms with recent developments that mean we could, at short notice, find ourselves self isolated and without access to basic food and provisions such as toilet rolls.

A small team of volunteers in Droxford want to reassure you that you are NOT ALONE!

IF you are self isolating, regardless of your age, and need help with shopping, collecting prescriptions or ANYTHING ELSE, please contact us either by text/whatsapp or phone

We are also asking those who are still fit and well that if they can help others, to drop us a message and help us all help each other.

To volunteer, text/whatsapp Edd Heller 07860 508523 to be added to the village whatsapp group.

FOR HELP Sarah Smith 07809 683477
